

Sechenov University – 265 Years of Tradition and Progress:

*How New Technologies Shape Medicine
and Education*

University History

Medical Faculty of IMU
1758

Clinical Campus at Devichye Pole
1897

First MOLMI named after I. M. Sechenov
1940

First Moscow State Medical University
named after I. M. Sechenov
2010

First Faculty Clinic on Rozhdestvenka
Street
1846

First Moscow Medical Institute
1930

I. M. Sechenov Moscow Medical Academy
1990

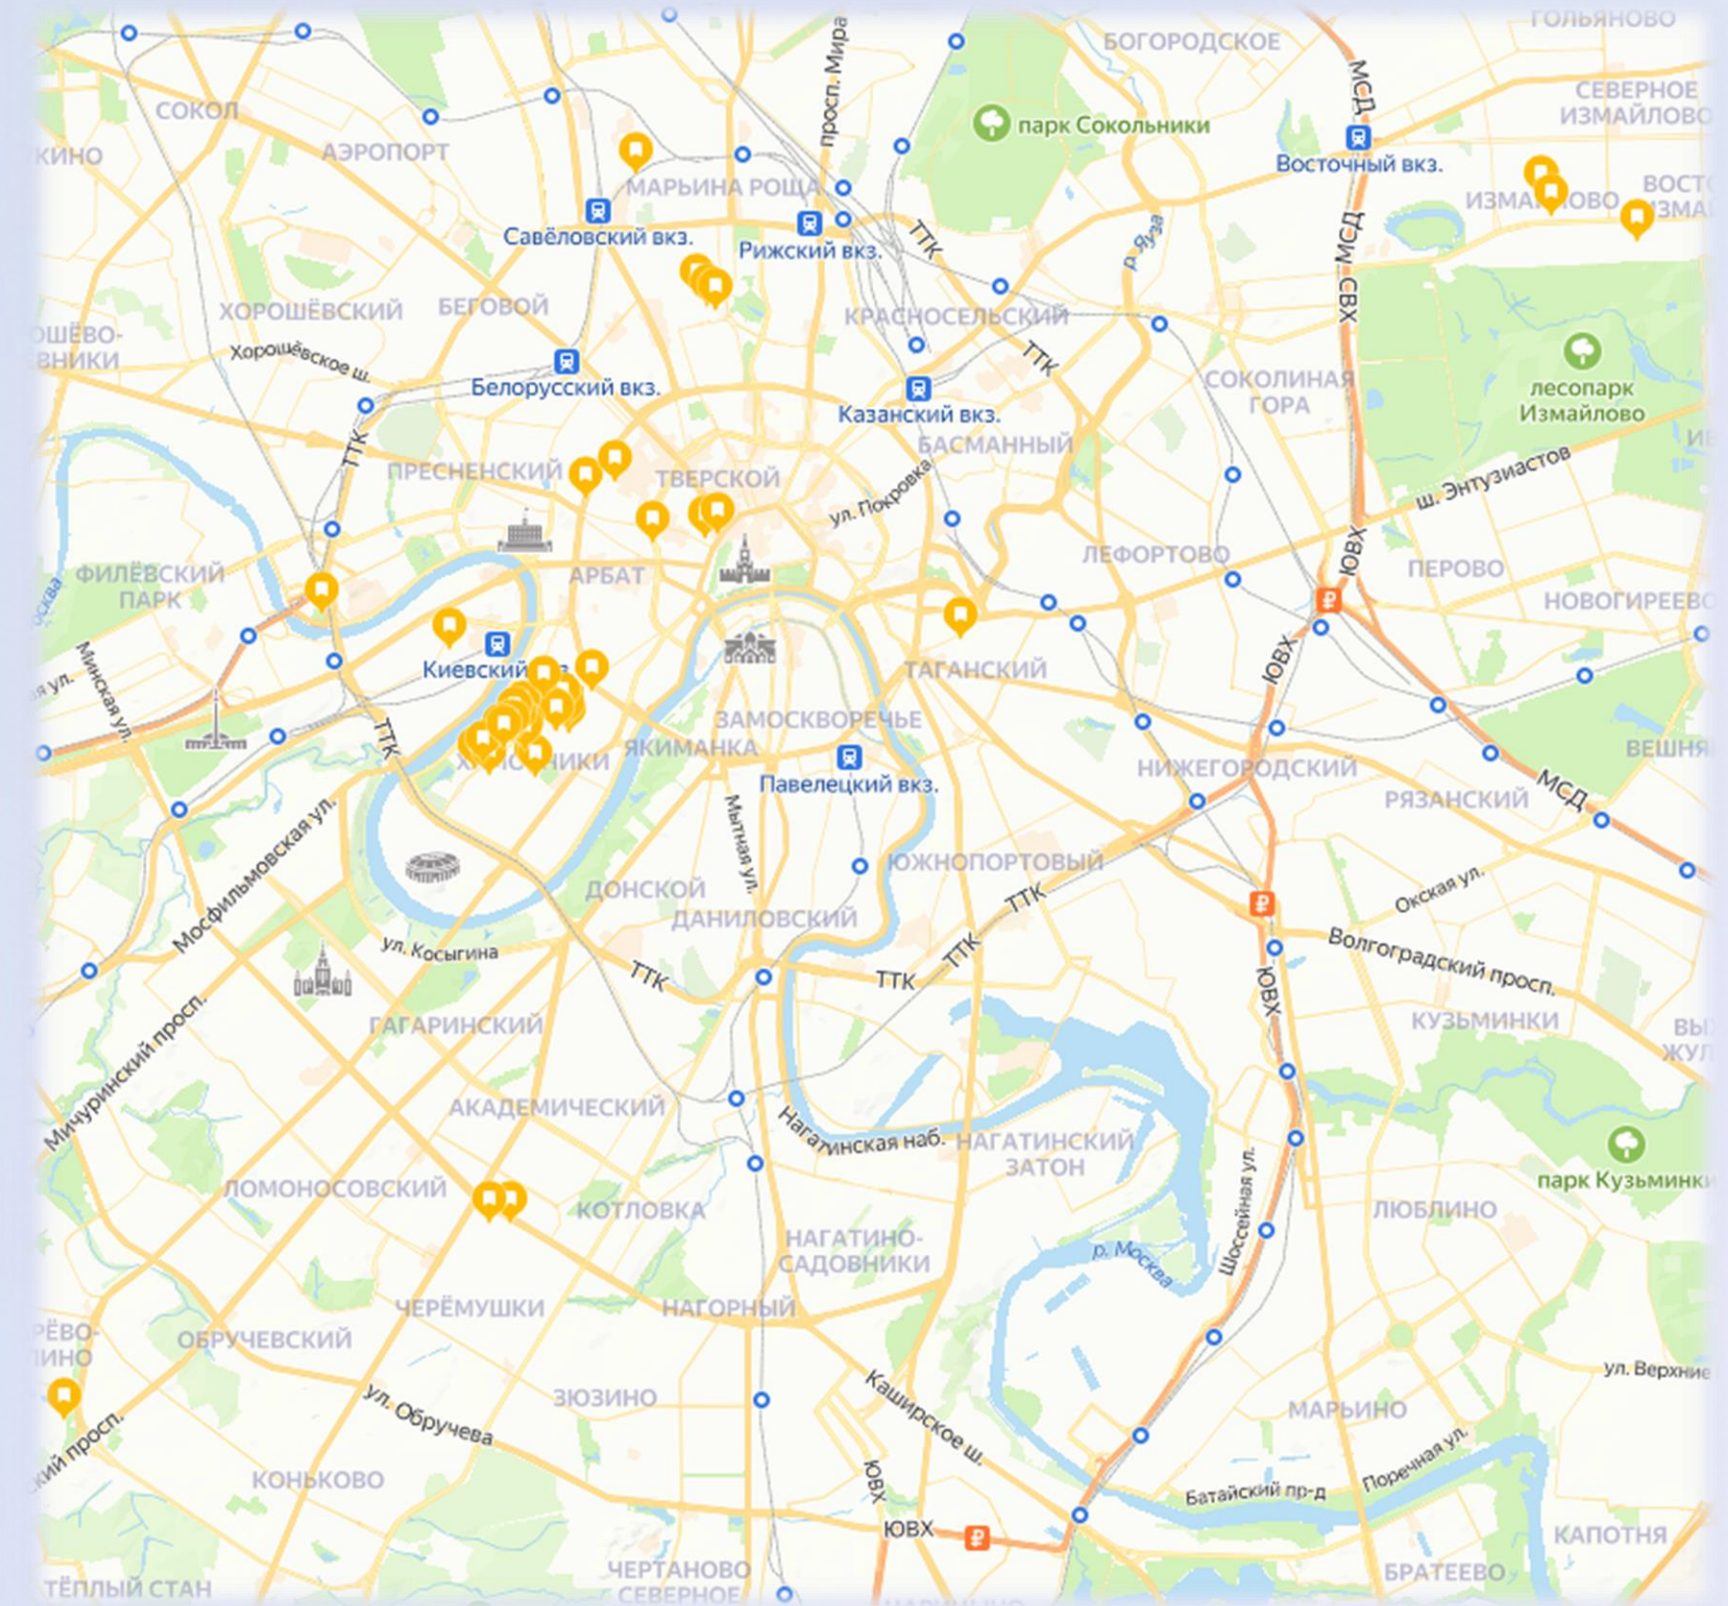

Sechenov University
2025

University Campus

50+ sites

Research, educational and clinical facilities

Education

THE LARGEST MEDICAL
UNIVERSITY IN RUSSIA

27000

Students

6000+ **114**

International
students

Countries

235 educational programs

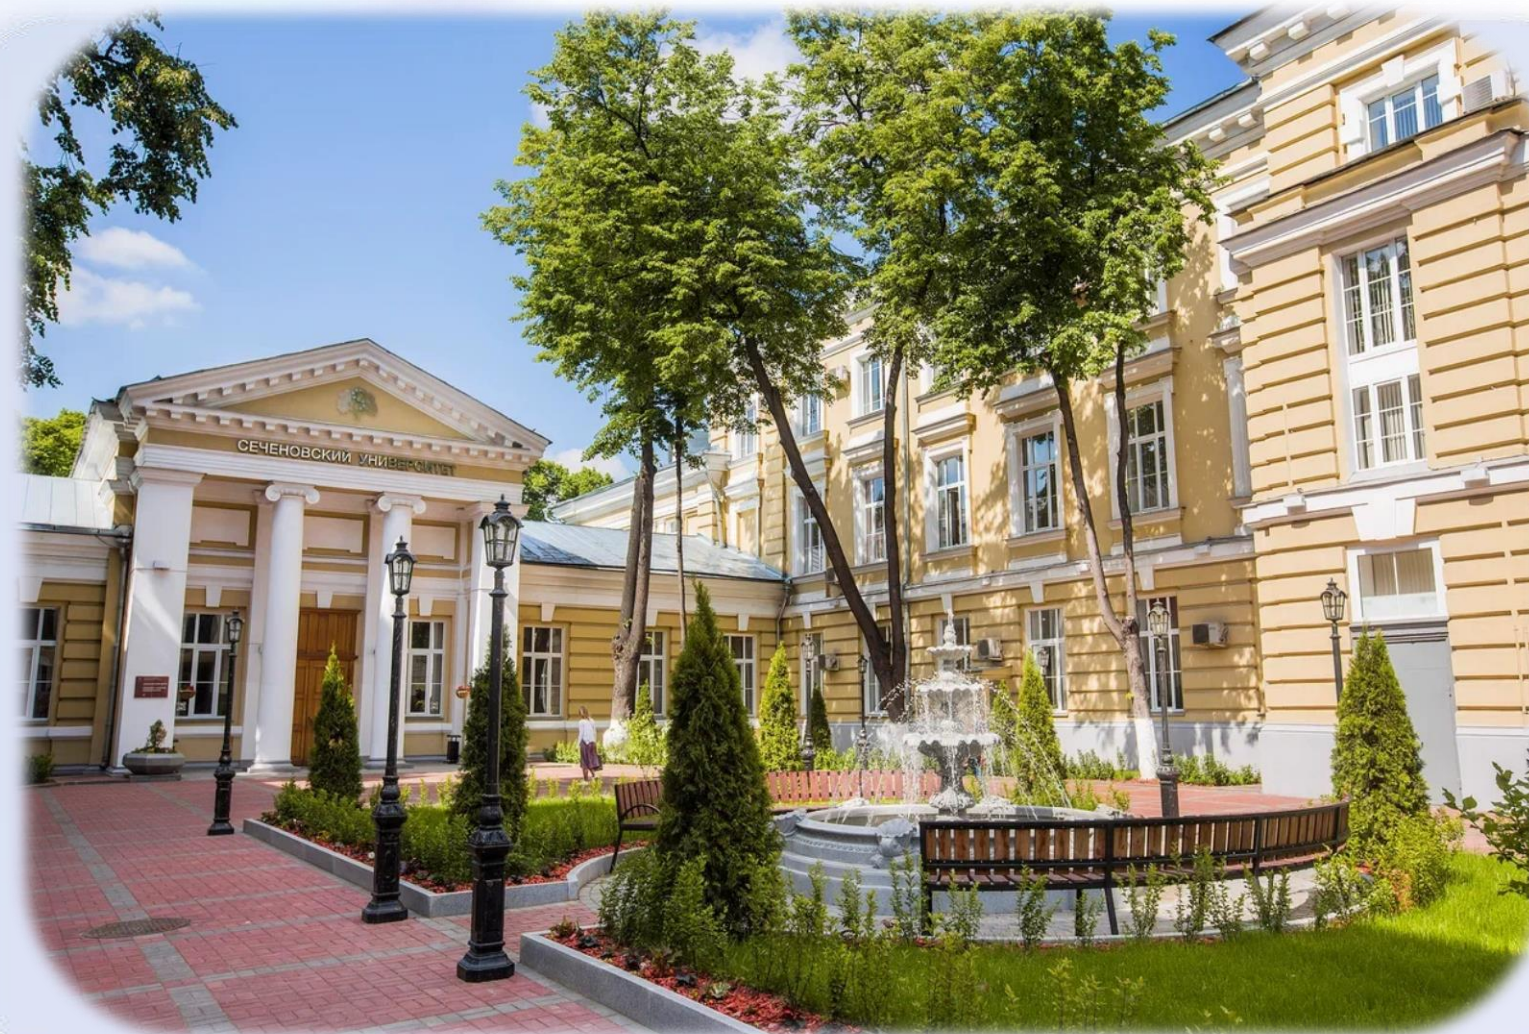

80 research disciplines for
doctoral studies

Top 101-150 for Pharmacy & Pharmacology
Top- 278 for Life Sciences & Medicine
Top- 186 for Medicine
Top- 50-120 for Dentistry

Top 151-200 for Dentistry and Oral Sciences
Top 301-400 for Public Health
Top 401-500 for Clinical Medicine
Top 401-500 for Pharmacy and Pharmaceutical Sciences

Education in Sechenov University

8 Institutes

Institute of Clinical Medicine named after N.V. Sklifosovsky

Institute of Pharmacy named after A.P. Nelyubin

Institute of Stomatology named after E.V. Borovskiy

Institute of public health named after F.F. Erisman

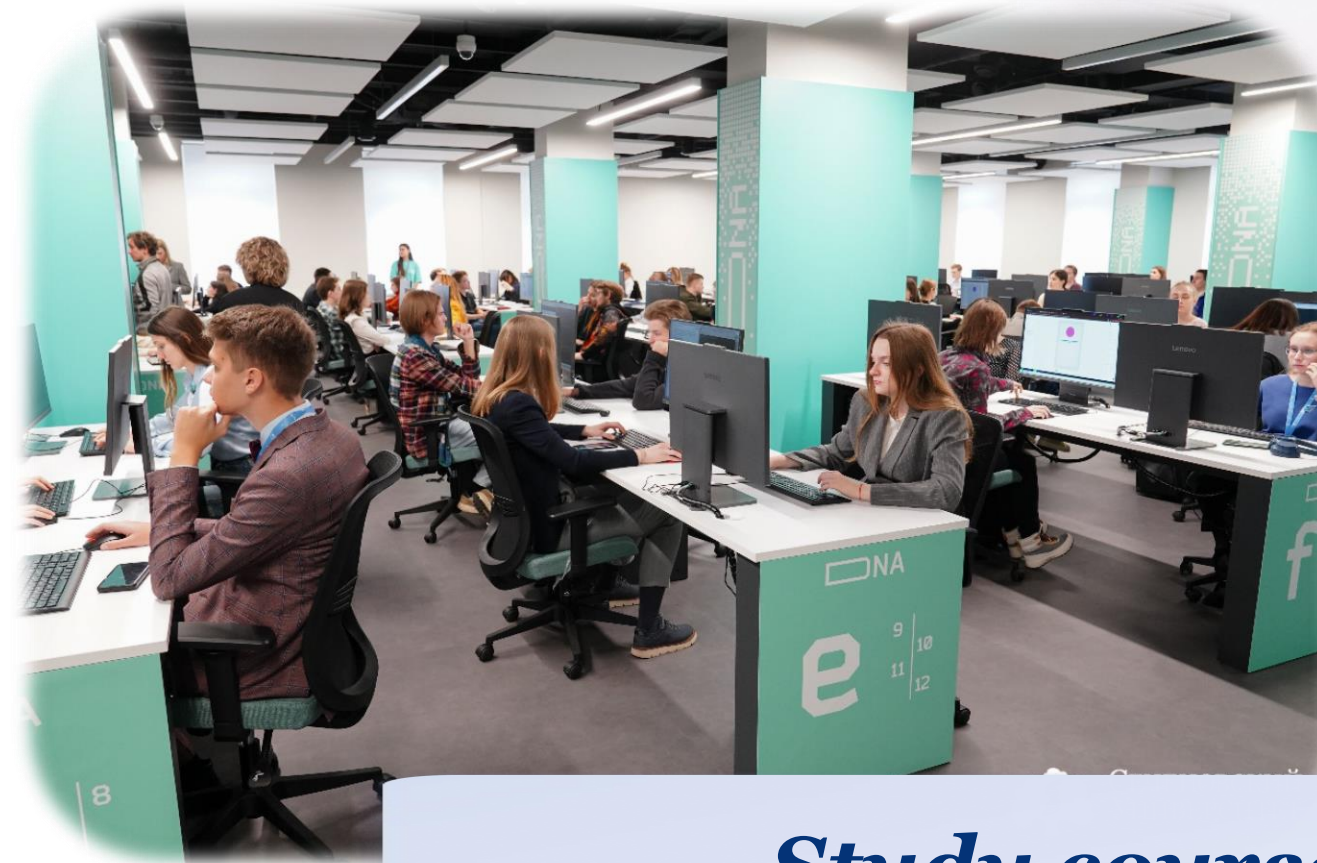

Clinical Institute of Children's Health named after N.F. Filatov

Institute of Digital Biodesign and Simulation of Living Systems

Institute of Linguistics and Intercultural Communication

Institute of Healthcare Leadership and Management

School «Sechenov 21»

Study courses

Basics in Programming

AI and Machine Learning

Software Architecture

UX/UI-design

Data Analysis

Project management

Institute of Clinical Medicine

*The leading education
in General Medicine in
Russia*

48 departments

8500+ students

**The pioneer in medical research in
Russia**

Institute of Dentistry

Established in **2001 г.**

6 *departments*

1500 *students*

Institute of Pharmacy

*Leader in pharmacy,
biotechnology, bioengineering
and bioinformatics*

1500+ students

9 departments

Pharma Premium Center

Botanical Garden

*Established in 1946
Home to 1,200 Plant Species*

Research

LEADER IN BIOMEDICAL
RESEARCH IN RUSSIA

1573 | **645** | **115**
PhDs | DScs | Departments

17000+ Research papers in
5 years

Advanced Engineering School

Biomedical Science & Technology Park

Institute of Molecular Medicine

Institute for Regenerative Medicine

Institute of Bionic Technology and Engineering

Institute of Personalized Oncology

Institute of Molecular Theranostics

Institute of Personalized Cardiology

*Institute of Translational Medicine
and Biotechnology*

*Institute of Computer Science &
Mathematical Modeling*

Medical center of University

7
hospitals

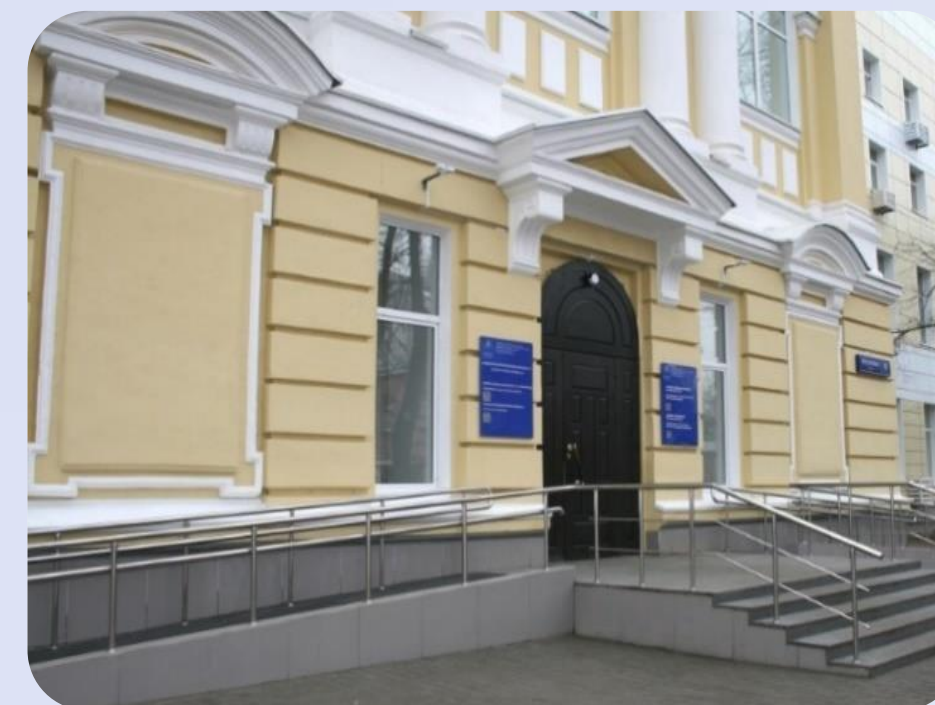

3 000+
beds

80 000
in-patients

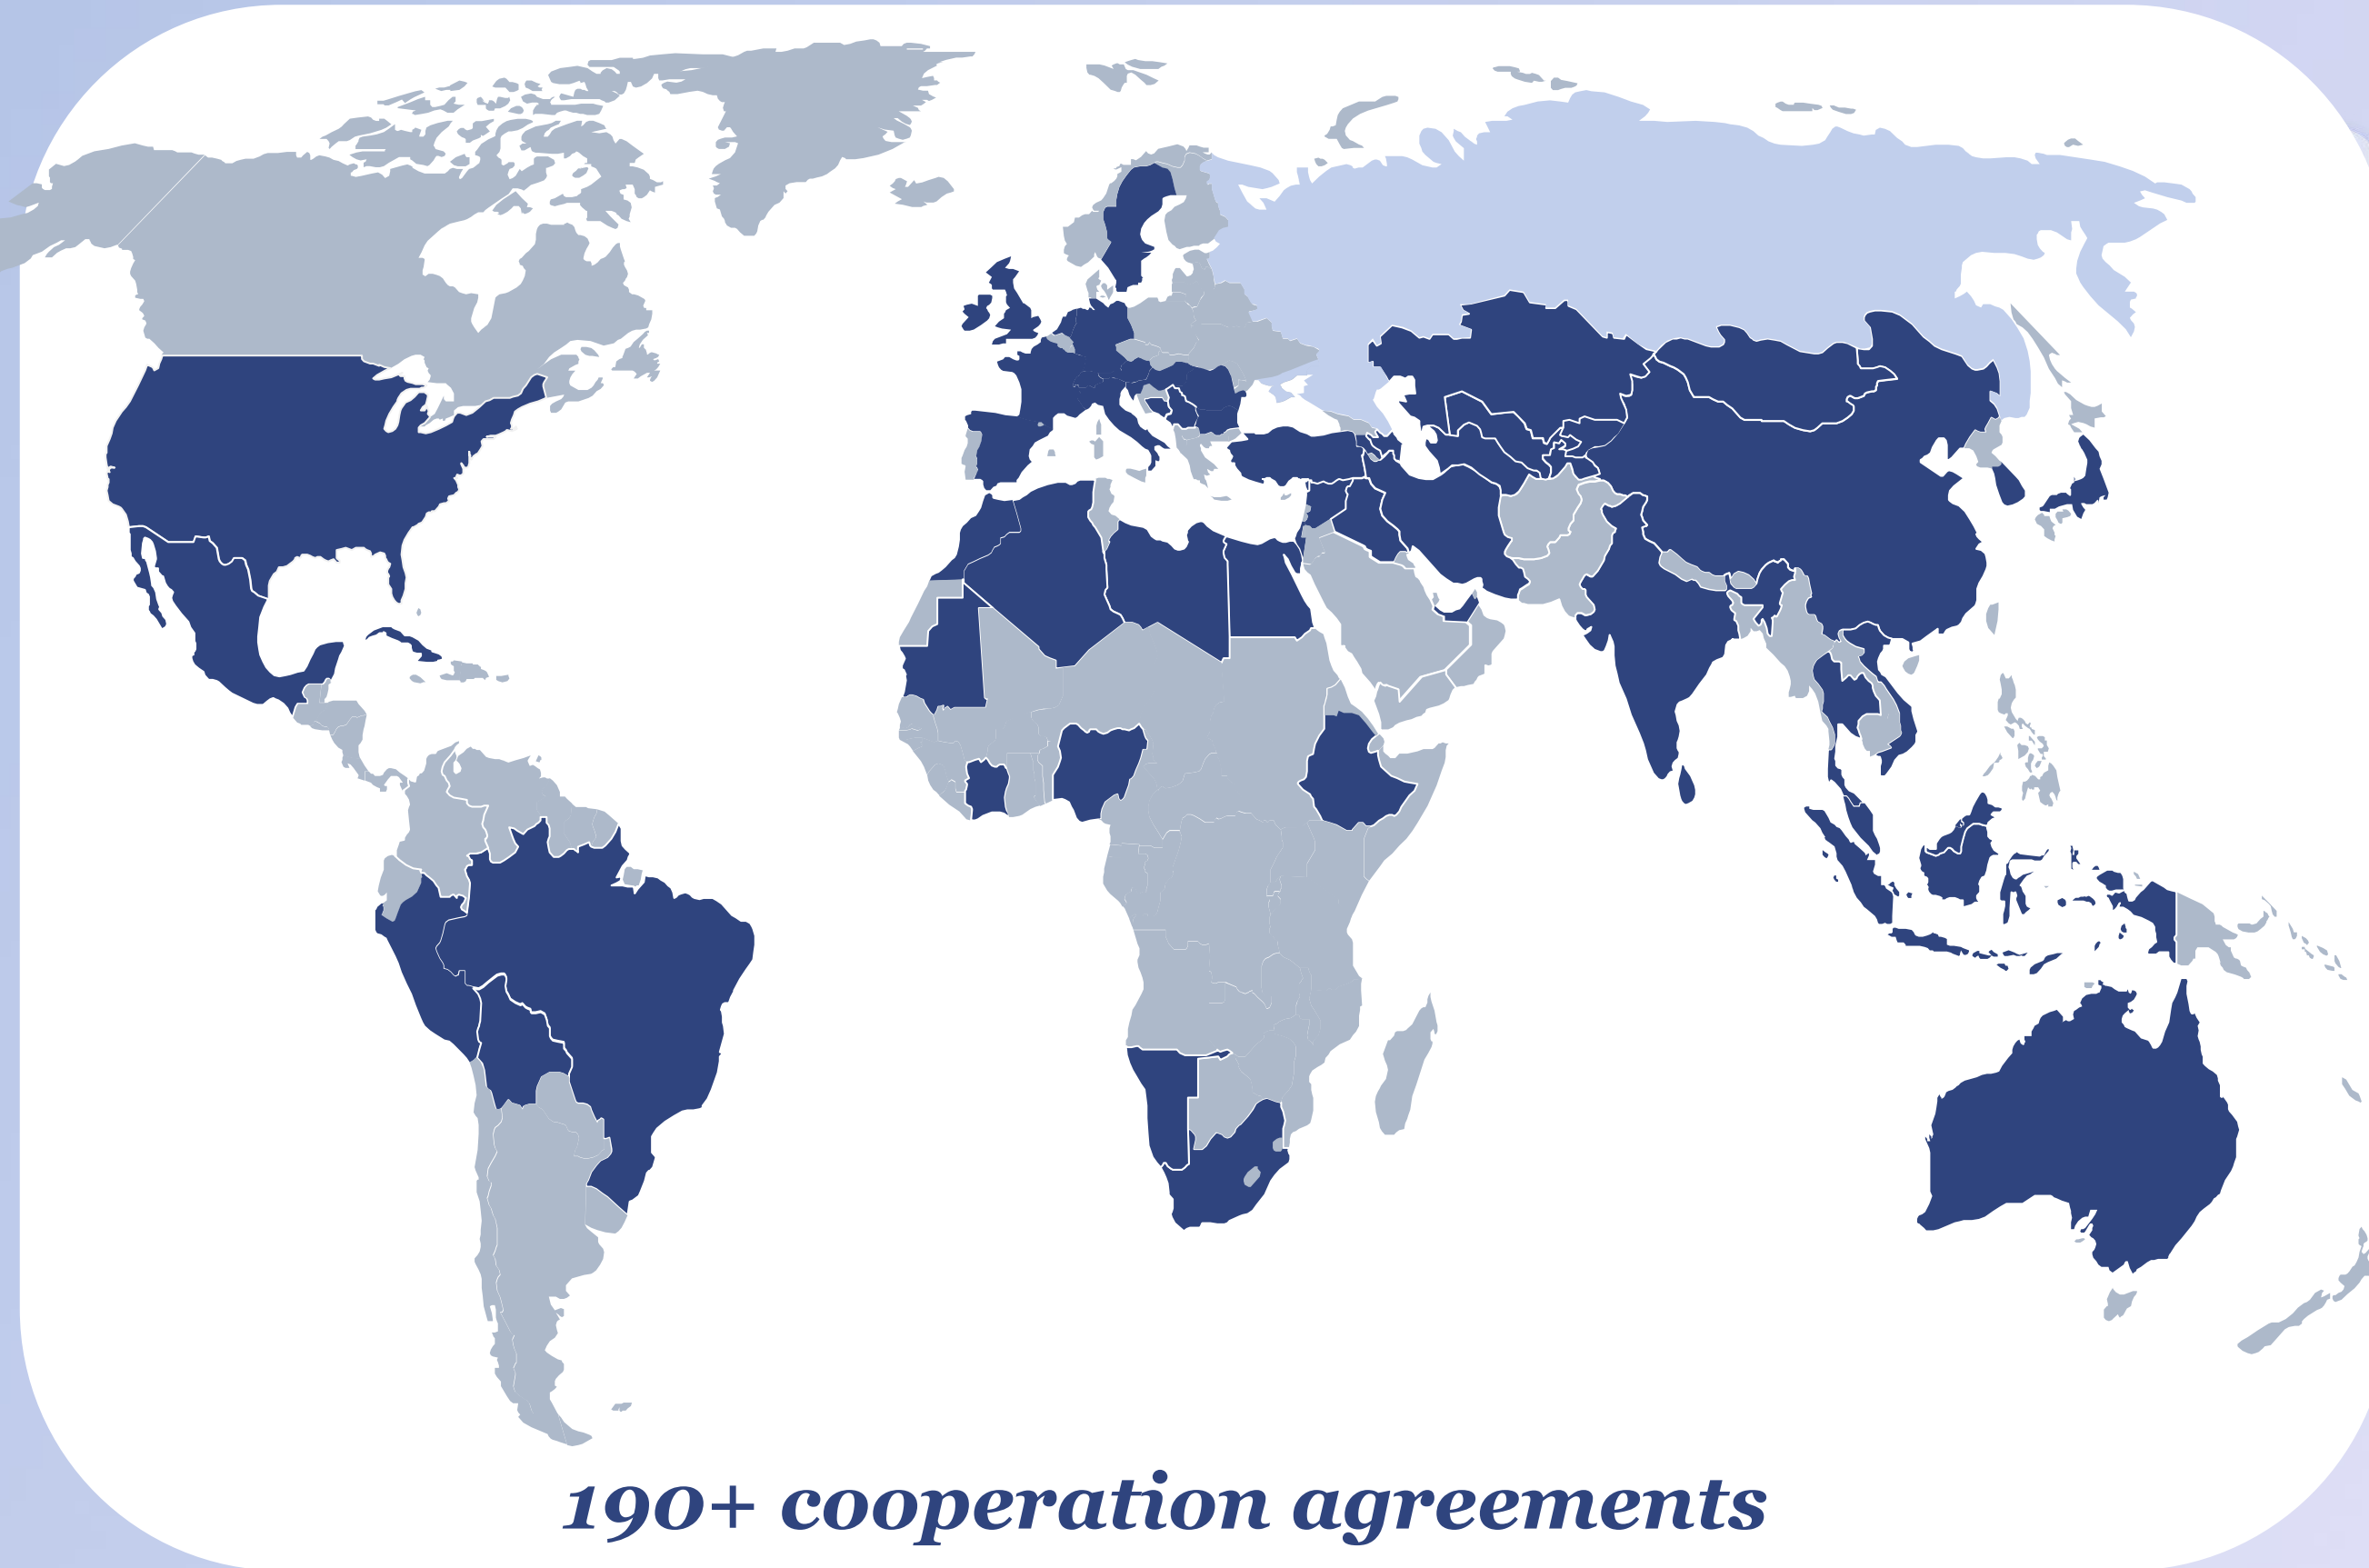

300 000
out-patients

High-tech medical care in 50 profiles

The flagship of robot-assisted surgery in Russia

Worldwide University

Institute of International Education

International presence

- *Branch of Sechenov University in Baku (Azerbaijan)*
- *Offices in UAE, China, Malayasia*
- *Masters Degree program in Dubai (UAE)*
